This section of the range honours the classics, by maintaining a strong hold on styles that last forever.

This range has stood the test of time. Simple, yet established and dependable headwear that has an edge in quality and value for money.

Built for comfort, built to last and built to budget.

Dragon

A range of headwear incorporating global, traditional, proven designs, offering an exclusive variety to cater for everyone.

Designs which remain highly popular, but unique to us.

By introducing and shaping a segment that has been welcomed with open arms and including a rustic range for the outdoor enthusiast.

This part of the collection is perfect for the South African Market.

Top Speed

We boldly try innovative designs, break through traditional concepts, and use the latest clothing fabrics on caps, to be integrated with clothing and fashion sports.

The unique range featuring, the latest trends in headwear, utilizing the following technology applications: seamless fit, one time mould design, water repellent fabric and breathable one way moisture transfer sweatbands for unique performance ability.

Top Fit

This upmarket headwear range is designed through years of experience, with the latest European and American trends in mind, all the while staying true to Africa's own unique sense of style.

Using fashionable fabrics such as Melton, Spandex, Crocodile PU and Birdseye mesh, with a wide variety of closures, such as Snapback, metal buckle and fitted.

Top Flex

Including our own new variety off fitted caps. This phenomenal collection can be used for both Fashion and Corporate Headwear.

We trust that will be not only excited but delighted by the expanded, revitalized range.

To create and innovate, through inspiration by incorporating the latest worldwide fashion trends, opening the doors to distinctive and diverse new images and styles.

We are pushing the edges of the envelope to continuously roll out modern - yet tried and tested designs to the African market
